See for yourself what happens behind the doors of America's zaniest ex-gay residential program. Peterson Toscano takes you on a tour of the Homo No Mo' Halfway House, a Christian residential 12-Step program that attempts to save men and women from the "evil snares of homosexuality" through bizarre rules, a gender resuscitation regime and brain-numbing reconditioning.

Based on Toscano's real life experience floundering in various ex-gay ministries, he weaves together humor, program jargon and outrageous eyewitness accounts to form a piece that is hilarious, poignant and inspirational. See for yourself if our hero comes OUT alive!
