If you have any concerns about your child or any family circumstances that may impact their experience in Religious Education, please elaborate on them here, or contact Gail M. Syring, Director of Religious Education at: 860-233-9897, ex. 104 or [DRE@ushartford.com](mailto:DRE@ushartford.com) for a private consultation.

Volunteers are always needed to teach, assist in classrooms, and help implement special events. We require a minimum of ten adults per Sunday to offer classes that are age appropriate, and to be in compliance with our "Safe Congregation" policies. It is considered a fair share contribution to the Religious Education program for each family to offer an average of one hour per month to the program. Please consider where your gifts will be best utilized, and what you can joyfully offer when you are contacted by our recruitment team.
