**Worship Service: Sunday, January 15, 2017 ~ "Commitment, Courage and Resistance: Making Real the Promises of Democracy"** A Martin Luther King, Jr. Day service with guest speaker Janeé Woods, Rev. Cathy as liturgist, and special music from Meeting House Folk.

Janée is a former attorney who left the law to focus on supporting inclusive community engagement and strengthening democracy. She is currently the Director of Organizational Culture for a philanthropic organization that focuses on racial justice and economic justice, especially in the context of education. She writes and speaks often on social justice issues, and has engaged in acts of

nonviolent resistance with Moral Monday CT and Black Lives Matter. [www.facebook.com/whatmatterswithjaneewoods/](http://www.facebook.com/whatmatterswithjaneewoods/)

**Spirit and Action - an ongoing series** ~ After the first heartening gathering of Spirit and Action, we've decided to continue gathering regularly to feed your soul and support one another in taking action for a more just world - as individuals and a congregation.

**Mark your calendar for our January events:**

**Friday, 1/20, 6-8pm: Inauguration Day Spirit and Action  
Potluck in the Library: let's be TOGETHER on Inauguration day.**

**Wednesday, January 25, 6:30-8:30pm - David's Den** ` Each event is a time to come together to have your spirit nourished in brief worship and circle sharing, followed by a facilitated open space to talk about what individuals are doing to live out our justice principles right now (and what support you need to continue those) as well as begin talking about how to deepen and build on our work as a congregation (e.g., becoming a Sanctuary Congregation, letter writing campaigns, building more bridges with impacted communities, deepening our refugee support and racial justice work, etc). Come with your spirit (however buoyant or broken), come with your longings, come with your ideas and energy, come with your questions. Families welcome (let RevCathy know asap if you'd like childcare). Let RevCathy know if you'd like to help.

Also save the date: Sunday, Feb 12 is our second annual Share the Love service -- the culmination of Standing on the Side of Love's 30 days of love (see below for more info). If you have a local group you'd like to nominate for this year's "Courageous Love Award," please let Gloria Mengual and myself know soon!

**In faith and love, - Rev. Cathy**

**A Note of Gratitude from the Revs.**

We are so grateful to all who contribute to the Ministers' Discretionary Fund that we might use it as needed to support people, families, and special unbudgeted-for USH projects as needed. We are especially grateful for this important Fund at this chilly, dark, and often-extra-stressful time of year. We appreciate being able to turn to this Fund for those who really need some help right now, and we want you to know that we have done so multiple times lately. Thanks to all who've contributed that we might quietly and confidentially care for others. Additional contributions to this Fund are always welcome; just send or drop-off a check to the USH Office with "for the Ministers' Discretionary Fund" clearly marked. On behalf of all those who rely upon the Meeting House community for support of many kinds, we thank you. Warmly -- **Revs. Heather & Cathy**

**When:** Saturday January 14<sup>th</sup> 12:30-2:30

**Where:** Fellowship Hall

**What to bring:** Bring along an object (NOT a gift) that represents your wishes or intention for the birth, baby, or parents (example: a rock to stay grounded).

If you would like to help out or if you have questions, contact Katharine Ann Anderson at [katharine.ann.anderson@gmail.com](mailto:katharine.ann.anderson@gmail.com)

Go to the following link to make a friendly wager in the baby pool (your bets on the due date, length & weight of baby):

Click [HERE](#) to make a friendly wager.

Revs. Cathy & Heather have confirmed that they will be doing a Second Parent Adoption with baby on the way given the current and ongoing political situation. The estimated cost will be between \$1500-2500. In lieu of a gift, please consider writing checks (made out to USH) or giving cash donations to USH, which will be bundled and given to the Revs. Also, in lieu of a gift, please consider bringing diapers to the baby shower, which will be donated to a local organization for parents in need of diapers. **Thanks! -Submitted by Katharine Ann Anderson**

### Church Business News

**Indoor Cleanup Day Planned** - On Saturday, January 21, from 9 AM to noon there will be an opportunity for volunteers to generally clean up Meeting House spaces.

Take note! if you have, how shall we put it, junk or stuff stashed in various spaces you will need to label it, or otherwise identify who wants it and that it should be preserved. Otherwise, it very well may be tossed out. There is a tendency for the Meeting House spaces (rooms, shelves, closets, refrigerators, to become everyone's place to leave things behind for later or other folks to use.

Such accumulations need to be periodically cleaned out. That will occur on Saturday, January 17. Please consider showing up to give us a hand in dealing with the task. Many hands make light work. - **Submitted by David Newton on behalf of Building and Grounds**

**Parental Leave Notes** ~ The Parental Leave Planning Team (Martha Bradley, Phil Gardner, Eve Pech, Sue Smolski, and Revs Cathy and Heather) has been at work to make sure, as much as possible with the uncertainties involved with babies and due dates, that all bases are covered when Revs Cathy and Heather are away.

Based on a due date of 2/14, (what a Valentine!) both Cathy and Heather will be off for 4 weeks after the baby arrives. Heather will return half time for the second 4 weeks, and then full time for the next 4 weeks until Rev Cathy comes back, at which time they will both resume their normal half time schedules.

All the Sunday services during the Revs absence have been planned with either a guest or lay speaker. Watch your enews for some interesting and thought provoking speakers and topics. USH Associate Minister, Rev Erica Richmond, will be on call for hospital visits and pastoral emergencies while both Cathy and Heather are away. Erica can be reached at: reverendrichmond@gmail.com or 860-929-9429. While Cathy and Heather will want some uninterrupted private time after the baby is born, you can bet they will be keeping in touch on Facebook and through the weekly E-news.

Speaking of betting, you might want to start thinking about your entry for the lottery for closest guess as to the exact date and time of baby Rion Starr's arrival. See the earlier blurb in this E-News to place your bet!

During the Revs' leave, Parental Leave Team members will be available to field and refer questions and concerns as follows:

Worship, including music and RE; Sue Smolski

Business, building, personnel; Phil Gardner

Pastoral Care; Eve Pech

General issues; Martha Bradley

See your USH Directory for contact information: Click [HERE](#) for the directory online.

**About That Front Window** - Several folks have noticed our plywood covered west entrance front window. They wonder if we are under attack or some such anxiety producing thought. Turns out the window was initially hit from the inside on toward the bottom. This was determined by careful forensic work by Building and Grounds engineers. After the initial blow, as with a car windshield, the damage spread across the window creating a safety issue and need for replacement. A contract was signed with a glass vendor who measured once, and ordered up a replacement. When the installation was attempted, the company discovered the opening was not rectangular, so no profit on the job, a new replacement will be forthcoming, and, as they say, this one will be measured twice and installed once. And, we need to be careful of glass throughout the building. The replacement is worth almost \$1,000 installed.

And, while we have your attention. The side door to the parking lot was found Monday afternoon propped wide open while the Sanctuary heat was humming along at 70 degrees. The building was secured after the Sunday Service and Semi Annual Meeting. We do not need this contribution toward global warming financed by you! All users of the building are urged to secure all doors, and check the elevator upon the conclusion of an event before the last person exits the Meeting House. Thermostats should be set to 55 degrees upon conclusion of events in various rooms. Follow [THIS LINK](#) for further directions on securing the building. **USH BOOK CLUB: Next Meeting - Thursday Feb 9 at USH at 5:30pm**

**Book: Absolute Brightness by James Lecesne**

(Rev. Heather's choice because it will be the basis of a play at Hartford Stage in the Spring, and a service here at USH!)

Mr. Lecesne writes a harrowing story of how a community can react to someone who comes off as different. Leonard infuses joy in all he does, and only too late does Phoebe realize the effort that Leonard put into showing the world such a positive face. **-Submitted by Richard Groothuis**

**2nd Principle Things You Can Do ~ Rev. Heather continues "40 Days. Focus!" effort** ~ Recognizing my own need to not get overwhelmed, scattered, or be constantly in reactive mode, I thought of using the 40 Days leading up to the January 20 Presidential Inauguration as Days for Focusing: shoring up our energy and resources, building resilience and deepening relationships that will

enable us to better defend and protect all the marginalized communities we know that are now at greater risk. If you are on Facebook, type this Group name into your Search box at the top left: Focus / 40 Days to Focus...and Beyond and ask to Join. If you'd like to be added by e-mail, e-mail RevHeather at [revheather@ushartford.com](mailto:revheather@ushartford.com).

And for all of us: we are in this mess together. People are seeking out this congregation as a basecamp for connection, direction, relationship-building, solace, and clear ways to organize action. Your support for the work of this congregation is crucial right now. Perhaps more than ever, and certainly more than in recent years, people need this congregation as a conduit--a way to respond, make sense out of things, find community, build resilience and strength during difficult times. Let us support one another more than ever, now and in the days ahead. #40Focus is ongoing through January 20, 2017. Join us!

A great documentary that explores the bottled water industry and its effects on our health, climate change, pollution, and our reliance on oil.

**PLEASE JOIN US!** The Green Sanctuary sub-council of the USH along with Save Our Water CT will be showing the award-winning documentary film “Tapped” on Sunday, January 29 starting at 12:15 in Fellowship Hall. After the showing, members of the Save Our Water CT committee will lead a discussion about protecting Connecticut’s public water. “Tapped” is an award winning documentary that shows

the effects of the bottled water industry on our health, climate change, and environment. The film is particularly relevant as California company Niagara Bottling builds its plant in Bloomfield, CT. This event will be an opportunity to educate ourselves about the impact of the water bottling industry on our local water supplies and our environment. Members of Save Our Water CT will also give updates on efforts to protect CT's water at the state legislature this session and what citizens can do to help. Questions and comments about these issues are welcomed. **-Submitted by Mary Sherwin**

### More about the film:

When Congressman John Lewis advocates “get in the way,” he stands behind his words, whether advancing civil rights in the 1960s or leading a 26-hour sit-in for gun control in the House this past June following the Orlando shootings. Former chairman of the Student Nonviolent Coordinating Committee (SNCC), an original Freedom Rider and a leader of the Selma march on Bloody Sunday, Lewis has always advocated nonviolence. ‘Non-violence is love in action,’ and Lewis still has plenty to spread around. The civil rights icon remains a vital force in the ongoing struggle for justice.

The first major documentary biography of Lewis, *Get in the Way* is a riveting, highly personalized narrative of an epic chapter in U.S. history that touches audiences deeply. Showing no sign of stopping soon, this U.S.

Congressman and human rights champion demonstrates an unflagging insistence on standing up to injustice wherever he finds it using strategy, legislation and direct action.

**We Look forward to seeing you!**

**Do you love music? Theater?** ~ USH is looking for someone to head an Arts and Entertainment Committee. I receive many requests from performers asking if USH would be interested in hosting them. We have recently had one person volunteer to help with this but would love to have a team. Please contact Linda Clark at ushlindaclark(at

**Would You Like to be Part of a Great Team?** ~ How about the USH Sunday Welcome Team? Please contact Linda Clark (at: ushlindaclark [at] gmail [dot] com) or phone the office at 860-233-9897 or talk to Brian Harvey if you are interested in being part of this wonderful group of volunteers. It's what makes USH outstanding in its open and friendly atmosphere to help first-time and newcomers feel welcome, find their way around our Meeting House, and want to return. **(If you'd like to help out in the office during the week, please contact Linda Clark).**

**Do you love to sing?** Have you ever thought about joining the USH Choir? Well now is the year to turn that thought into a reality! The USH Choir is an incredibly fun way to make beautiful music with some truly incredible people. Best of all, this year we are rehearsing on Sunday mornings at 9 am before church with only one weeknight rehearsal per month, drastically limiting the time commitment needed to participate. If you have ever considered joining our group, we would love to see you now to laugh and sing together! **If you have any questions or would simply like more information, please feel free to contact our Choir Director Rebecca Pacuk at rgpacuk@gmail.com. (Formal music training is not required).**

**The USH Wish List** ~ Hello Everyone! There are some items that we could really use at USH:

A Folding Lightweight Table to use at various events  
2 Floor Length Mirrors

New collapsible functional easels

Staples gift cards

Please contact Linda Clark at ushlindaclark@gmail.com or 860-233-9897 x100 if you have one of these items and would like to donate it to USH. Thank you.

The Archives Team is hard at work and has added this to the USH Wish List: Shelving for the Worship Arts and Archives for organizing the materials stored in the Fuller room. Our materials in there are overflowing the available shelving and cabinets. This will allow us to better use the limited floor space that is available. We are looking for two more metal units just like the six foot, six shelf one in there now. No casters.

Brand HDX, model 6T60184872C, stock number 100655787, or equivalent.

**Peace – as we come to the close of the USH-Enews week.  
Be kind to others – and to yourself.**

**Nuts and Bolts:** The member congregations of the Unitarian Universalist Association covenant to affirm and promote: the inherent worth and dignity of every person; justice, equity, and compassion in human relations; acceptance of one another and encouragement to spiritual growth in our congregations; a free and responsible search for truth and meaning; the right of conscience and the use of the democratic process, within our congregations and in society at large; the goal of world community with peace, liberty, and justice for all; respect for the interdependent web of all existence, of which we are a part.
