Beauty appears in the most unlikely of places and after even the most devastating disasters. Come celebrate nature's beauty and community resilience

at our annual multi-generational Flower Communion service. Flower Communion is a Unitarian Universalist tradition begun nearly a hundred years ago in which we exchange flowers to celebrate spring and reflect on the resilience of nature's beauty. Please bring a flower or bouquet to share!

After worship, we'll have an all-congregational photo followed by the Annual Meeting. (For the Annual Report click [HERE](#).) ALL are encouraged to join in the All-congregational Photo! We will be voting on the slate of USH nominees for board positions starting in July as well as for UUA Board President. Please come and exercise our 5th principle, "the right of conscience and the use of the democratic process within our congregations and society at large."

Bring your sack lunch and/or a coffee-hour snack to share.

The University of Hartford will also be having their graduation ~ allow extra time in the morning for the drive to USH.

**Staff Update from Rev. Cathy:** I want to let you know that Choir Director Rebecca Pacuk has given notice that this will be her last year with us and she will be wrapping up in late June. We are so grateful to Rebecca for her 5 years of service with USH and sad that she will be leaving! However, I am not surprised by this news - Rebecca has been commuting 2 hours each way to us this year on top of her full-time teaching job.

Rebecca began her service with USH as a Choral Scholar and freshman at UHart, then she generously and graciously jumped in to temporarily conduct the choir 3 years ago and soon became our permanent Choir Director. In the nearly 3 years since then, Rebecca has grown tremendously as a choir director and provided continuity and stability with our choir and beautiful, faithful, creative music to all of us. I hope you'll join me in appreciating Rebecca for all she's given to our USH community!

I am meeting this week with choir members and would be happy to talk with any of you as well as we discern our needs for staffing moving forward. After reaching out for stakeholder input, we'll put together a hiring team and job description. Stay tuned for more details on the hire and ways to appreciate Rebecca in the weeks to come! -- **Rev. Cathy, Lead Co-Minister for Music**

**Stewardship Committee** ~ We are pleased to announce that as of May 8 we have received \$276,407 in pledges from 129 members and friends. This is a very encouraging result! A BIG thank-you and hug to all who have made a pledge! By comparison, around

the same time last year we had received \$223,000 from 98 pledges. We anticipate we will receive 30 additional pledges or more, so that our final total should reach \$300,000 and quite possibly beyond. Can we reach our crucial goal of \$327,000? Contact our Office Administrator Linda Clark, Bookkeeper Brian Mullen or Stewardship Chair Peter Meny to get a pledge card. And thank you! YOU make it happen here at USH! Only time and you (if you have not yet made your pledge) can tell if we will be able to accomplish our 2017-18 goals.

So, if you haven't yet pledged, please do so. **The Stewardship Committee: Peter Meny (Chair), Stephanie Briggs, Carolyn Carlson, Kate Gervais, Ginny Hedrick, Laurie Kelliher, Deb Meny, Rev. Heather Rion Starr**

### **COMING UP AT GENERAL ASSEMBLY 2017: A NEW UUA PRESIDENT!**

Are you ready to practice our Fifth Unitarian Universalist Principle, "...the use of the democratic process"? We have a Presidential Election coming up--for President of the Unitarian Universalist Association. This will be a historic election no matter what--all three candidates are women, and we have not yet ever had a UUA President who is a woman. Based on our current membership number (206) the Unitarian Society of Hartford is granted five member delegates. Delegates do not have to travel to General Assembly (in New Orleans this June) or even register as off-site delegates (a small cost) in order to vote. Voting will start online on June 1. Would you consider being one of our five member delegates? We want to make sure to vote early and use all our votes!

**Most everything you could want to know about the Presidential Election can be found here: <http://www.uua.org/uuagovernance/elections/president>**

**There are three candidates running (in alphabetical order):**

**The Rev. Susan Frederick-Gray: <http://susanfrederickgray.com/>**

**The Rev. Alison Miller: <http://www.alisonforuapresident.org/>**

**The Rev. Jeanne Pupke: <http://www.jeannepupke.com/>**

At our Annual Meeting on Sunday, May 21, following the service, we will ask you to vote for UUA President so that our delegates may then vote on behalf of our congregation. Please take the time to read up on each of the three Candidates for UUA President and let Rev. Heather ([revheather@ushartford.com](mailto:revheather@ushartford.com), 541-390-6052) know if you would like to speak briefly on behalf of any one of them at our Annual Meeting! This is a particularly pivotal time for our denomination and your engagement matters.

**Ed Grant Applications: May 15 – June 15 ~ Educational Grant Applications - The USH Women's Alliance is proud to announce that applications are now available for the Women's**

Alliance Educational Grants. Applicants should be pursuing study at a post high school level, with priority given to those with minimal scholarship aid or loan sources. Grants are small (generally under \$500), but may be used for expenses such as tuition, books, child care, and transportation. Affiliation with USH is not required, though will be considered.

Applications, by postal or email, are due June 15. Applications are available HERE - or call 860-693-4269 and leave a message or any questions. In past years, these grants have been welcomed by those pursuing graduate and undergraduate study, members and friends of USH. Last year, one grant of \$500 was awarded.

Applications and grants are confidential. The Alliance has been awarding these grants for many years and is pleased to be able to continue doing so, realizing that these small monetary awards help women in pursuit of their educational goals. ~ **Submitted by Nita H.**

**2nd Principle Things You Can Do ~ "Focus: Resistance is Daily Practice"** Each day we must choose to focus our energies. Each day we must take actions of resistance to tyranny & oppression; we must engage in acts of self-care & perseverance; we must reach out and connect with other human beings in building meaningful relationships. If you use Facebook, type the group name: "Focus: Resistance..." into your Search box and ask to join the group. For all of us: we are in this mess together. People are seeking out this congregation as a basecamp for connection, direction, relationship-building, solace, and clear ways to organize action. Your support for the work of this congregation is crucial right now. Perhaps more than ever, and certainly more than in recent years, people need this congregation as a conduit--a way to respond, make sense out of things, find community, build resilience and strength during difficult times. Let us support one another earnestly, now and in the days ahead. **Warmly ~ Rev. Heather, revheather@ushartford.com, cell/text: 541-390-6052, on Facebook & Twitter**

**Will you help with the Memorial Reception?** ~ On Friday, May 26, we will have the Memorial Service and Reception for Jim and Ellie Vennemans's son, David Venneman. The service will be at 11 AM and the Reception will follow in Fellowship Hall. Finger foods, such as crackers/cheese, quick breads, cookies, bars, other munchies are needed. ### **USH/Watkinson/KNOX Labyrinth continues "growing" in 2017!**

Wonderful news: KNOX

([www.knoxhartford.org](http://www.knoxhartford.org)) staff have volunteered to help us move our USH Labyrinth along! They are coordinating volunteers from Watkinson School to jumpstart the project of planting many more plants in the area between the

labyrinth paths. By the time they do this on June 7, Rev. Heather will have retaped the paths. Are you able to help us in any way with this truly community-building effort with our neighbors? Ways to help can include: helping to sweep and clean up the plot overall, helping to tend the plants that have wintered over, planting extras from your garden or other plants you acquire in the rest of the large garden area, helping to tend the plot as a whole over the summer, or helping our summer Religious Education program coordinate making Mosaic Stepping Stones. **Please let Rev. **Greater Hartford Cohousing**  
Community – Sustainability – Life Enhancement

We are a group of households planning to build an urban cohousing project in Greater Hartford. We intend to create a project that fosters community bonds and sustainable living through thoughtful design. Our vision is to create an adult-centered community in or near the city of Hartford so we can enjoy its diverse amenities and peoples, become part of the fabric of our neighborhood, and encourage aging in place.

We currently consist of three households that have met weekly for a year. During that time, we have created a legal entity, completed a feasibility study with a nonprofit development consultant, consulted with architects who specialize in cohousing, and identified several properties that could work, while still on the look-out for other promising sites.

Our building plan will encourage sociability as well as providing ample opportunities for privacy. It will consist of 22 to 30 private living units with 1 to 3 bedrooms, clustered around a large outdoor courtyard that provides opportunities for socializing and gardening, as well as a large common house—the 'heart' of the project—which will feature a large dining area and kitchen for shared meals, and other amenities desired by the community.

Legally and financially our project will be structured as a condominium. Unlike a conventional condominium, however, we seek to build the community first and engage members in the project, both as early equity investors and as designers. These early joiners will become co-creators of their cohousing community. For further information on cohousing see [www.cohousing.org](http://www.cohousing.org)

We welcome your interest in our pioneering venture. Our current aim is to reach a critical mass of members who will eventually commit to joining us. If you think cohousing might be a good fit for you, let's get together.

**Our Unitarian Universalist Principles:** The member congregations of the Unitarian Universalist Association covenant to affirm and promote: the inherent worth and dignity of every person; justice, equity, and compassion in human relations; acceptance of one another and encouragement to spiritual growth in our congregations; a free and responsible search for truth and meaning; the right of conscience and the use of the democratic process, within our congregations and in society at large; the goal of world community with peace, liberty, and justice for all; respect for the interdependent web of all existence, of which we are a part.
