**Sunday Service 10:30 AM - April 10, 2016 - "Perhaps Struggle Is All We Have" - Pulpit Guest: Rev. Josh Pawelek** - Rev. Pawelek will reflect on his experiences as a white activist-of-faith in the Black Lives Matter movement and other racial justice movements. After two decades of activism, he says, it matters less that we reach our goals, and more that we continue reaching. It may be that struggle is all we have.

Bio: Rev. Josh Pawelek has served as minister of the Unitarian Universalist Society: East in Manchester since 2003. During that time he has participated in and led many social

and environmental justice initiatives. He currently serves on the board of the Unitarian Universalist Ministers Association and holds the portfolio for Anti-Racism, Anti-Oppression and Multiculturalism. He lives in Glastonbury with his wife and two sons.

**Dear Ones,**

I have the pleasure of participating in a retreat for genderqueer and transgender ministers next week at Asilomar in California (where spring really truly has arrived!). If you're wondering what it means to be genderqueer (as I am), here's a link to my sermon "Gender Identity 101" from the fall.

Rev Heather will be here while I am gone. After I get back from California, our family will be heading to Philadelphia for a few days of vacation and a national planning meeting for SURJ (Showing Up For Racial Justice). I'll be out of the office from April 11th through April 20th. If you wish to schedule a meeting with me, we can set something up for late April. **Love, Rev. Cathy**

**GREAT DECISIONS Meetings – April 2016 April 17 9:00 In Servetus.  
Topic: Cuba and the U.S. - Paula Jones, Kevin Gough and Marianne Horn, a recent visitor to Cuba – Discussants**

The U.S. announced on December 17, 2014, that, after decades of isolation, it would be taking major steps to normalize relations with Cuba, its neighbor to the south. The announcement marked a dramatic shift away from a policy that has its roots in one of the darkest moments of the Cold War—the Cuban missile crisis. Although the U.S. trade embargo is unlikely to end any time soon, American and Cuban leaders today are trying to bring a relationship once defined by antithetical ideologies into the 21st century.

Final discussion schedule:

May 1: the Politics and Demographics of International Migration – Ed Savage, Discussant

May 15: The Koreas, Sherry Manetta and Brian Harvey, Discussants

### **Upcoming Special Events and Other News**

**ART NEWS - April's Featured Artist in the Ambulatory: Lori Racicot** - Art is a powerful way for me to express my inner thoughts and emotions and represent the world as I see it.

Creating art unleashes tension, provides a sense of peace in my life, allows for self-discovery, and is a way to share my God-given gift. My artwork also invites others in, evokes their memories, and starts a dialogue about shared experiences.

Thriving on variety, my work goes from the familiar to the abstract, and back again. Often starting with nature as my inspiration, I begin the creative process by keenly observing my surroundings and contemplating how I feel about the subject and what I want to express. This allows me to intuitively create authentic pieces that capture my interpretation of the subject matter influenced by my experiences, thoughts, and emotions.

Inspired by the impressionists, post-impressionists, and abstract expressionists, I adore color. Colors on my palette, sometimes straight from the paint tube, other times mixed into unique hues, are forever changing and evolving. Employing brushes, knives, fingers, spray bottles, cloth, and found objects, I utilize various techniques to spontaneously apply paint and make marks, creating unique and varied textures on a canvas. The multiple layers of paint hide but at the same time expose, deeper layers of my personal vulnerability and raw emotions.

Where will my work lead me? I hope that I will continue to grow and produce as an artist, expressing myself, touching others, and creating conversations.

**The USH Wish List** - Hello Everyone! There are 4 items that we could really use at USH:

A Functional 21st century computer that could be used for volunteer tasks

New collapsible functional easels

1 Coat rack tree

Staples gift cards

Please contact Linda Clark at ushlindaclark@gmail.com or 860-233-9897 x100 if you have one of these items and would like to donate it to USH. Thank you.

**DO YOU LOVE BOOKS? LOVE A PROJECT?  
WANT TO VOLUNTEER ON YOUR OWN  
SCHEDULE?**

Consider whether or not helping reenergize the USH Library might be just the right project for you. Now that the USH Archives have been moved from the Meeting House Library into the Margaret Fuller Room, there are shelves available in the Library for expanding and growing our Library into truly being a Community & Congregational Library. Think of the books we could solicit, organize, and make available for checkout. Take a look at the books already there that would benefit from being sorted through, showcased, highlighted, and discussed. Help to make the Meeting House Library truly a library! If this is something you'd be interested in working on, individually or as a small team, please let Rev. Heather know at [revheather@ushartford.com](mailto:revheather@ushartford.com) or 541-390-6052. There's no stress about this, it's just one of those things that could use a dedicated and creative presence (or two or three) to help us enliven and make better use of the marvelous Meeting House space.

**Update on the USH Archives - by Zac Mirecki** - On February 10, Rev. Heather joined Zac and Larry to continue work on the USH archives. Larry has worked quickly to arrange boxes in order by letter, keeping the organizational scheme imposed by Margaret Sax. As work continues, we will soon be getting to materials that are yet unsorted and uncatalogued and updating the 1997 inventory of the collection.

Call for equipment!

The Archives is in need of equipment to safely play (and potentially record/transfer) audio found on numerous cassette tapes, magnetic reel-to-reel tapes, and LPs. It appears the last time anything was done to the tapes was around 1995 and they are slowly deteriorating. It is doubtful these lectures/sermons/events have been recorded elsewhere. Do you have a reel to reel player or tape deck you would be willing to donate for use in the archives? More importantly, do you know how to operate these safely without causing more harm? I am much more comfortable getting intimate and dirty with 18th century manuscripts than I am with relatively new (but unstable) tapes and do not know the best way to play these safely!

**Next Meeting:**

Our next meeting will be on April 27th at 10am. This will be a work date to continue to sort new material and weed out duplicates. Please join us to help out or learn more information.

**Seeking Chalice Lighters!**

Lighting the chalice on Sunday morning as an individual, a couple or a family is a way for you to take a small part in our shared worship service. It's also a way for all of us to see each other more fully and help everyone remember names more

easily! Thanks for signing up to engage in this especially Unitarian Universalist ritual that begins our services.

If you haven't lit the chalice before, please plan to arrive by 10:10am so we can show you the routine before the service begins.

**A Call for Office Volunteers!** - Could that possibly be YOU? We are in need of volunteers to maintain a friendly office presence. Easy work - or bring a book, knitting and a smile for any visitors or phone calls the office may receive. Please contact Linda Clark (at: ushlindaclark [at] gmail [dot] com or phone the office at 860-233-9897 and let her know if you can spend a few hours a week in the USH Office to help us keep our friendly and efficient office going!

When a trailblazing senator holds a public forum to unveil her new economic agenda for mothers in America, she is slapped with realities that are far more harsh than she could have imagined. *Gross Domestic Product* is a musical about motherhood that traverses the heartfelt as well as the outrageous, while examining what this "labor of love" is actually worth to our society.

Founded in 2001 by Steven Raider-Ginsburg, Julia B. Rosenblatt and Gregory R. Tate (1952-2012), **HartBeat Ensemble** creates provocative theater that connects our community beyond traditional barriers of class, race, geography and gender. HartBeat's resident home is the Carriage House Theater.

GDP has received support from National Endowment for the Arts, Permanent Commission on the Status of Women, the Edward C. and Ann T. Roberts Foundation, Connecticut Office of the Arts and Artists Fellowship Program.
