Sunday Service 10:30 AM - May 25, 2016 - "It's Not What You Think"
Rev. Cathy Rion Starr - People have all sorts of ideas of what it means to be a Unitarian Universalist – including we who identify as UUs! What makes us who we are? (Hint: it's NOT what you think!) How do we live this faith we love yet struggle to describe? Let's play and puzzle together in this Auction sermon topic chosen by Patrice Fitzgerald and Richard Leslie.

Sunday Service Recap, Sunday, May 22, 2016 by Kayla Costenoble

Time to Renew - “How is it with your spirit in these turbulent times? Have you set your compass/GPS/paper map to return to mental, spiritual or emotional health?” These were among the questions Rev. Heather asked during the May 22, 2016, service at the USH.

Our truth-talking minister reminded us there are 169 days (24 weeks) left until the 2016 presidential election, and we face the “inevitably complex summer months ahead to speak and prepare ourselves.” How is faith impacting your life? What is the guiding rubric to help you through hard times? were additional thought-provoking questions she asked.

We come here, Rev. Heather said, looking for movement, connection, inspiration. Here we can relax, be ourselves and talk about everything “from the trivial to the transformative.” But we should not come here to get stuck in our ruts, to stifle our growth by surrounding ourselves only with those who agree with us, although this is often the easier way. We should step out of our familiar groups and neighborhoods. There is a loving way of being that embraces differences and enables us to accept other people’s humanity on their terms, not ours.

Rev. Heather introduced us to James W. Fowler’s 1981 book, “Stages of Faith,” in which he offers six stages of faith development. An American theologian and a United Methodist Church minister, Fowler’s stage 5 (“conjunctive”) concerns reworking and reclaiming the past and becoming alive to paradise, contradictions and commitment to justice. Fowler writes that we each go through similar journeys, questioning and reevaluating our beliefs about what is right and true. This is important, Rev. Heather said, because this continuous renewal “prevents

us from becoming complacent and cynical.” Faith is an important part of our lives, from birth to death.

Other good stuff.

“Anyone who wants to be certainly can be dedicated into this community,” Rev. Cathy reminded us, as we all took part in another great Unitarian tradition—the dedication of our children. We do not perform baptisms, she told us, because we believe our children, when old enough, should choose their own faith. Sunday, we welcomed Jonathan and Amelia Bleck with our appropriate symbols, a thornless red rose (older children get their roses with the thorns intact) and a lit candle, then read responsive reading 714 “Congregational Blessing for Child Dedication. “May you know the unfolding beauty in life,” Rev. Cathy told Jonathan and Amelia.

As we enthusiastically sang our gathering song, “Now Let Us Sing,” Rev. Heather was dancing on the pulpit while Robin, in a second row pew with Rev. Cathy, was standing and dancing there.

During the offering, the choir premiered the second piece written for us by our composer in residence Gala Flagello. Written using words by author and social activist Harriet Beecher Stowe, it was a mixture of words and music performed without accompaniment. It told us to “Never. Never. Never. Never give up. The tide will turn. Be truly novel and heroic. The past, present and future are one.”

And Pi-Hsun’s always-incredible musical interlude again introduced a new (for me, that is) American pianist, George Winston and “Longing.” Winston has been described as a rural folk piano player and one of the earliest new age musicians. A reference suggested listening to him “if you’re looking for music that will touch your soul, and take you to a peaceful place.”

RE News You Can Use! This week the nursery will be available from 10:15-11:45 for infants and toddlers during the worship service.

There will be a Time For All Ages followed by a one room activity for those in Kindergarten to 8th grade. The high school youth group will also be meeting. **Rayla D. Mattson - Director of Religious**

Stewardship Campaign Approaches Finish Line!!! - Since we launched our Stewardship season 123 members and friends have pledged \$270,000 to support the work of this Society. We want to thank each and every one of you who has made a pledge - for your generosity, and your commitment.

There are people from whom we have not yet heard and some who have told us they are not able to make a pledge at this time. We are proud to be members of this Society where the size of your heart is what matters, not the amount of your pledge.

Within the next week or so we expect to receive several more pledges that should bring us to \$280,000, exceeding last year's total by \$17,000, a 14% increase. This is a wonderful mirror of the enthusiasm, energy, and positive spirit at the Meeting House.

However, we have not yet arrived at our destination of \$300,000. If our Society were running the Boston marathon, we've made it over Heartbreak Hill, where some people give up due to exhaustion. We are at the 24 ? mile mark, with less than two miles to go. We can just about see the finish line!
If we stop moving forward now here's what's at stake.

We will not be able to raise the hours and pay for our Children's R.E. Director who has built back a program that was on life support a few short years ago. We will not be able to raise our music staff salaries and hours to attract the highly skilled leadership to which we are so accustomed.

We will also lack the funds to have four choral scholars in the choir and paid guest musicians like we had on Music Sunday.

We will not be able to reduce our draw on the Endowment or raise the amount we budget for the B&G committee to maintain our building.

It's this last \$20,000 that will make the difference whether we are able to do these things.....or not. - **The USH Stewardship Committee: Peter Meny, Chair; Ginny Hedrick, Laurie Kelliher, Deb Meny, Joe Rubin**

Spring Chicken: Stay Young Forever (or Die Trying) by Bill Gifford

SPRING CHICKEN is a full-throttle, high-energy ride through the latest research, popular mythology, and ancient wisdom on mankind's oldest obsession: How can we live longer? And better? In his funny, self-deprecating voice, veteran reporter Bill Gifford takes readers on a fascinating journey through the science of aging, from the obvious signs like wrinkles and

baldness right down into the innermost workings of cells. We visit cutting-edge labs where scientists are working to "hack" the aging process, like purging "senescent" cells from mice to reverse the effects of aging. Gifford separates the wheat from the chaff as he exposes hoaxes and scams foisted upon an aging society, and arms readers with the best possible advice on what to do, what not to do, and what life-changing treatments may be right around the corner.

An intoxicating mixture of deep reporting, fascinating science, and prescriptive takeaway, SPRING CHICKEN will reveal the extraordinary breakthroughs that may yet bring us eternal youth, while exposing dangerous deceptions that prey on the innocent and ignorant. From Amazon.com

A Little Jazz, A Little Broadway – A Cabaret
Please don't forget to put Saturday, June 4th, 7:30 PM, on your calendar for a concert that John Clapp and his wife bought at the auction. Jazz pianist Alex Nakhimovsky will tickle the (electronic) ivories downstairs in Fellowship Hall and Richard and Patrice will sing. It's already paid for, but any contributions for the USH General Fund are welcome. This is the final moment to get your donation matched after five years of beneficence

from our anonymous donor.

We're also honoring the folks who brought us the Solar Panel Project with a bit of melodic sunshine. It's going to be fun, and you'll get a chance to sing too! Refreshments and adult beverages served. **Contact Person: Patrice Fitzgerald - Patrice Fitzgerald for the Performing Arts Sub-Council**

For old hands or newbies, this is a chance to familiarize yourself with the USH Sound Systems (Sanctuary and Portable) so that you are able to run the sound system for an event, worship service, or program. Rev. Heather and Stu Spence are coordinating. **All USH Members and Friends are welcome.**

Archives Update: The Archive team of Rev Heather, Kayla Costenoble, and Larry Lunden assembled on Apr 27 to continue organizing.

Kayla worked on the E-News editions from the last few years. We found the ones that we thought were lost, just filed in a drawer. Larry worked on looking over the new acquisitions that have been left for whoever. Rev Heather wrote our annual report to chronicle our successes. We also looked over some of the old Order of Services, and marveled on how they were run back then. Did you know we have them all (well maybe most of them) going back to the 1800's? In the early years they were bound into books.

Our next meeting will be Wednesday, June 29, starting at 10:00. All who are interested are welcome.

SPRING IS SPRINGING! And we are so excited to get a better head-start on our USH Garden Plot in the Watkinson Community Garden (at the base of our parking lot) this year. Our plot is right at the front-and-center of the Garden--you can see it just by walking into the Garden from the parking lot. This year we have asked our neighbor, Landscaper and Labyrinth Designer Cynthia Dodd, to help us create a "growing labyrinth" that will incorporate plants and give us a spiritual path to walk together as a community. The idea is that we will use Cynthia's design and then divide that up into 8 sections that groups within the congregation can each take responsibility for. If you would enjoy helping with this wonderfully earthy project, as a Gardener, Coordinator, or Labyrinth Keeper, will you please let RevHeather know? **We need You to get this dream from paper into plantings!** revheather@ushartford.com or **541-390-6052**

Seeking Chalice Lighters! - Lighting the chalice on Sunday morning as an individual, a couple or a family is a way for you to take a small part in our shared worship service. It's also a way for all of us to see each other more fully and help everyone remember names more easily. Thanks for signing up to engage in this especially Unitarian Universalist ritual that begins our services.

If you haven't lit the chalice before, please plan to arrive by 10:10am so we can show you the routine before the service begins.

We are looking for 6 volunteers that are able to work with Foodshare and Walmart's Supercenter on 495 Flatbush Avenue, Hartford. Due to the wonderful volume of donated food from this store we have 3 pickups each week - Monday, Wednesday, and Friday. Ideally, we would like a team of 2 volunteers to be available for one day each week.

Please let us know if you can volunteer in any of the 3 slots below:

- * Two volunteer slots every Monday from 9:00 am to 10:30 am;
- * Two volunteer slots every Wednesday from 9:00 am to 10:30 am; and
- * Two volunteer slots every Friday from 9:00 am to 10:30 am.

The volunteer work involved is a little different than Foodshare's typical Retail Pickup assignment. Due to the volume of food from Walmart, the volunteer will not have to deliver the food. Rather the volunteers will gather the food from the various departments within the store and assemble it onto pallets which are picked up by the Foodshare driver, who will deliver the food. The Retail Pickup volunteers will need to be comfortable interacting with the many staff levels at Walmart. If you like to get to know people quickly without slowing them down in their work - you will be well suited for this volunteer assignment. Foodshare will provide training and will explain all the details of this unique assignment.

**Please contact Gaye Sgamboti at gsgamboti@foodshare.org if you are interested in this volunteer opportunity or call Jim Palma, Community Network Builder for Foodshare 860-286-9999 x124 jpalma@foodshare.org
