The Unitarian Universalist Association's annual denominational conference, **General Assembly, is June 24th - 28th, 2020**. For the first time, this annual conference will be entirely online. The registration cost is \$150 and financial assistance

is available. Please check <https://www.uua.org/ga> for up-to-date information. Instructions for accessing the participation portal will be distributed, to those who have registered. In addition, the UUA is looking for volunteers to moderate or assist with hosting in various zoom rooms. Our USH delegates will be **Dana Donovan, Lisa Galinski, Fred Louis, Judy Sullivan and Rev. Dr. Jan Carlsson-Bull**. Many thanks to each of you, in advance. Any of you who would like to "take in" some or all of the conference online can also attend (without needing to be a delegate) -- keep an eye on the schedule online for what programs you might be especially interested in.

Updated Policy from the USH Board of Directors, approved June 9, 2020:

For the safety of our members, friends and staff, the USH Building and Grounds remain closed to all activities inside and out. You may come into the office if you schedule your visit with Buffie in advance. No-contact pickups and drop-offs in the parking lot, using proper precautions, may be scheduled with both Buffie (Office Admin) and Rayla (Rentals Manager) to insure that there are not concurrent activities occurring, etc.

Thank you for your understanding during this challenging and ever-changing time!

A Note from Janice and David Newton~

It was an honor to receive this Annual Volunteer Recognition Award. I accept it, not for me, but for all of us who have worked together on many activities and events. Without the participation of all those members and friends of the USH community, those events would not have happened. I picture the USH community as large jigsaw puzzle. Each member and friend represents a necessary part of the puzzle, and with all of us together we become a complete and caring congregation.

Thank you.

Janice Newton

Thank you for the Annual Volunteer Recognition Award. It is said, we stand on the shoulders of those who have come before. With this connection, I recognize those who have contributed to improvements at USH in the past including Peter Revel, Bill Willett, Bill Westervelt, and Carolyn Souter, among others currently with us including Kayla Costenoble and Ed Sax, as well as the hardworking folks who participate in our current activities. On behalf of all of them, thank you.

Paper Grocery Bags needed!

Hartford Mutual Aid is collaborating with a Faith Based Alliance for Community Support with our sister churches in the North End: Urban Hope, St. Monica's, and Greater Refuge, to provide breakfast and groceries to families in need. They need lots and lots of paper grocery bags! Please drop yours off at USH (there's a bin at the front entrance) or at the

Revs' home this week.

They are also looking for volunteers to help with food distribution (with strict safety protocols and PPE provided) - sign up at www.mutualaidhartford.com.

From the USH Board:

We as Board, Ministers, and Staff have been taking in the recent recommendations of the UUA (you can read those for yourself, here: <https://www.uua.org/pressroom/press-releases/message-uua-president-updated-guidance-gathering>) and have been reflecting upon and appreciating this 4-minute video from UU parish minister Rev. Jake Morrill: <https://youtu.be/0uAKQXagwms>. You are welcome to join us in this real-life "thought experiment" about how to live together into this new era and the new formats of congregational life that we are being called to consider. There was some discussion of these topics during the May 17th Annual Meeting; please speak with the Board, Ministers, or Staff directly if there are areas of congregational life you'd like to be more involved in.

RE News You Can Use: Rayla D. Mattson, Director of Religious Education

Hello All!

We entering into the week of General Assembly, and I hope many of you have taken advantage of this online format and will join many of us from USH in the online offerings. Please note that there are events that everyone can attend whether or not you registered. Please check out the UUA website for

more information.

I also hope as we move into summer that many of you will join us or continue to join us in our efforts to promote equity and justice through the Black Lives Matter movement. So many of our youth from the church have been engaged. They are truly stepping up as leaders. Please contact myself, Rev. Cathy or Judy Sullivan for more information on how you can get involved.

In a few weeks, we will begin summer RE. I am working with other congregations across the country to offer combined classes with youth and young people from across the country and I am so excited to work with my colleagues to help widen our UU connection. Please stay tuned for more details on that.

Lastly, I want to acknowledge all the challenges we are still facing with COVID-19. Many of us had to transition to working from home and our children and youth learned to navigate distance learning. Now we are learning how to navigate summer school and camps and travel AND still primarily all be at home during what has started off as a hot summer. I have been working with the UUA on a blog for families around parenting during a pandemic. My first blog is complete and will be available on the UUA website shortly. I hope to have more information for you next week and I hope you all continue to be safe and healthy.

Be well, Rayla

I only check my email on Tuesday, Wednesday and Thursday.

RE Note of Thanks

I want to send a big thank to so many of you in the congregation for your support over the last few weeks. Things have been tough. As a

black single
mother with a growing black son, I am ever mindful of how our
lives are not
valued as much as others in this country. But USH has made it
clear to me
and my family that Black Lives Matter! And I feel it and see it. I
know many
of you have followed along with me, and Sam, on Facebook as we
work to do
our part in dismantling white supremacy in this country. Many of
you have
also made calls and written letters and attended online town
meetings and it
is all needed and it is making a difference! I know many of you
are not able
to actively attend protests but I thank you for checking in on
those of us
who do and a huge thank you to those who have helped feed my
kids on the
nights when activities have kept me busy. My kids definitely feel
the love
and support as well.

Several of our middle school and high school youth surprised me
the other
week and showed up for a protest in Manchester that Sam and I
had planned to
attend. Some youth and Rev. Cathy came with me to a protest in
my own town
when two incidents of racial injustice happened the other day.
Meanwhile,
others of you are planning to go with us to the Juneteenth Rally
at Bushnell
Park this Friday the 19th at 2:00pm and I am so moved!

I know it will take all of us working together in many different
ways to
effect true systemic change. We may not all agree on what that
will look
like or how we get there but we can continue to support and uplift
each
other in our efforts. I know for many of you that meant stepping

outside of
 your comfort zones and I am grateful. To those of you not sure
 what to do
 yet, I understand that as well. But, let's continue to stay united
 and not
 lose sight of where we are going. Black Lives Matter!
 Thank you, Rayla

Youth Group Donations Needed

Due to the COVID-19 pandemic, the Youth Group has been unable to gather in person and make soup for the Church Street Eats soup kitchen. As result, the Youth Group is trying to organize some support for the soup kitchen. First, they are in need of snack items like granola bars, chips, juice boxes and fruit snacks. We are trying to encourage a weekly donation of these items which can be dropped off at USH, and then brought over to the Soup Kitchen on Saturdays. Second, they are in need of monetary donations which can be made at cccathedral.org at the Church Street Eats page, and would be a wonderful contribution to start making on a weekly basis for those who are not comfortable going to the store or who live far from the church. Third, they are in need of volunteers. They still do rely on a small number of volunteers who wear masks and gloves and prepare bag lunches. The volunteer coordinator is Theresa and her number is **(860)655-6752**.

USH Spotlight - "Getting to Know You"

In this time of physical distancing, I thought it would be great to get to know one another a little more personally. Every few weeks I am hoping to share with you all a little look into the lives of one of our members or friends. If you are willing to share with us something about yourself, please reach out to me and let me know. Thank You – Rayla D. Mattson, DRE.

An invitation to [Act • Learn • Worship • Give](#) from our Director of Religious Education, Rayla D. Mattson.

Dear USH family,

I don't consider myself to be an activist or a community organizer. Feeling called to do this work even when I'm not wanting to be called upon to act is where I feel I am right now. This week Sam Moffett and I participated in several actions in Hartford and surrounding communities. Many of you were

following us on Facebook when Sam and I found ourselves sitting on the highway with a group of protesters. I'm tired of being silent and tired of feeling like I'm not doing enough. As I said to Sam this week, "Sometimes you don't choose the call, the call chooses you." What are you feeling called to, today? I am feeling called to continue the work. I'm focused on opening up conversations that facilitate change. I will continue to show up and be a presence.

In this moment in time, there truly is a line drawn. You are either working for change and an end to racism and oppression or you are complicit in supporting the systemic racist system. I know if you have never taken action before, it can be scary. I know it is not safe for some of you to leave your homes. I know some of you cannot financially contribute to organizations and causes. **But there is something we all can do.** Let's get to work!

Actions are changing by the day-- so we've set up a WhatsApp group at USH to keep each other informed. To join, text Cathy, Rayla, Sam, Dianne, or Tara at 484-883-5898 with your request to be added.

From the USH Board, Revs Cathy & Heather:

Powerlessness in the face of oppression is not supposed to happen in our democratic society. Still, we are reeling yet again from witnessing the lethal results of endemic racism piled on top of pandemic death and disruption that disproportionately effects people of color in our country.

The murder of George Floyd, an unarmed black man killed by a white policeman, while face down on the ground in handcuffs, unchallenged by fellow officers on the scene, is a travesty that has played out too often.

Of course we condemn these crimes, but beyond that we want to share some specific actions that people can take to aid in America's recovery from its deadly pre-existing condition of racism.

The links below are for resources and articles that can help to change the power structure that allows these crimes, so that no one need feel powerless.

If you are aware of other resources, please share them. If you need support, please let us know. If you are struggling to take

action, please reach out.

We are called to live our faith in the world, and right now (and always), this means doing our part to dismantle white supremacy and work for a world where Black Lives Matter. [Join us](#).

Take action for Black Lives!

There is something for everyone on this list! Lots of low-risk options from home, as well as other higher-risk options. After you've taken action for Black lives with the Movement for Black Lives, take a look at the wide list we've compiled of ways to [Act • Learn • Worship • Give](#). There is something for everyone -- yes, even you!

Virtual Community Gatherings

A Connection Circle is a small group who covenant to come together for a series of meetings and provide the opportunity to one another to develop deep and meaningful connections, safe community to explore and grow

spiritually. A typical meeting combines personal check-ins, readings, guiding questions, and individual sharing focused on a particular theme.

Connection Circles typically run for 8 weeks for 2 hours per week. Meetings will be held by Zoom, and Zoom assistance is available if you need help getting set up. If you are interested in joining a Connection Circle, please text Martha Bradley at 860-305-3307 as soon as possible with your name and email/phone number.

As a reminder, the Meeting House is closed for all "in-person" gatherings for now, and we ask your help in strengthening our connections during this time. Call someone in the congregation! Organize a Zoom hangout or Connection Circle! Keep telling us your good news – new babies and such, and challenges you wish to share in worship or simply hold in confidential prayer and love.

Moving Events Online:

We are updating our online calendar with events that are moving to an online format during this time when all in-person gatherings are cancelled. If you are an event organizer, please let Buffie know if you would like to move your program online into our USH Zoom Room (and if you need help learning to use Zoom).

Resources for the food insecure and places to give:

These are tough times for many folks already living paycheck-to-paycheck and/or food insecure. If this is you, please reach out to the Revs so we can mobilize some financial and/or food support for you. Here are a few community resources for food in particular:

- Bloomfield food for kids: Carmen Arace Middle School food pick-up: Breakfast 8:00-9:00am and lunch 12:00-1:00pm. It's a drop-in pick-up only.
- West Hartford Meals for kids and adults: <https://www.smores.com/jxwvz>
- Hartford meals for kids: <https://ct-kids.org/>
- Foodshare has mobile sites for food pick up. Click here for more info:
<http://site.foodshare.org/site/PageServer?pagename=coronavirus>

-

Foodshare welcomes your financial contributions and is in need of volunteers especially right now. They have extra safety precautions in place. If you are not already high risk, please consider signing up. The Universalist Church of West Hartford is working to keep their pantry functioning and could use volunteers who are not in the high risk categories (underlying pulmonary/cardiac/immune issues or diabetes...and/or 50+ years old). Call Jacob Lee, their food ministry coordinator, at 860-233-3669 x109 if you are interested in helping through the coming weeks and months. See more here: <https://www.feedingamerica.org/research/coronavirus-hunger-research>

For questions about Coronavirus in CT, call 211 to talk to a person 24-hours a day, 7 days a week. The hotline is for general questions about COVID-19. If you're experiencing symptoms, contact your medical provider.

Would You Like Support?

Worrying does not take away tomorrow's troubles; it takes away today's peace. These are strange times indeed. Our accustomed normalcy has been up-ended. It's natural to feel shaken under these circumstances. However if you find yourself unusually worn down by worry, nervousness or loneliness during this pandemic, your ministers have assembled a small team of counseling professionals. They have volunteered to offer free, supportive, confidential, one-on-one phone calls. If a phone session or two would feel helpful to you, please do not hesitate to contact either Rev Cathy at revcathyrionstarr@gmail.com or Rev Heather at revheatherharrionstarr@gmail.com. We are all in this together and together we will stay strong.

May we all stay healthy, happy and connected.

I clicked on this, thinking I'd watch for 10 minutes. It was so informative and mesmerizing. A wealth of information." --Gloria Mengual

Love Resists Political Education Series:

Unfinished Business: A Study of DuBois' Reconstruction in America to Now

on Wednesdays: July 1 and July 8

This political education series offered by the Unitarian Universalist

Association's Side With Love and Love Resists campaigns will explore the history of the reconstruction era (post-civil war), to give us a deeper understanding of the origin of today's systemic racism in policing and mass incarceration as well as the Black-led movements resisting it. In this pivotal protest moment sparked by the law-enforcement-linked murders of George Floyd, Amaud Ahmery, Breonna Taylor, and Tony McDade, the most recent Black lives to be lost to police violence, we'll learn from the past to be ready for today, and to build towards the world we dream of. See more info [here](#).

USH Choral Program Update

Director of Music Ministries Sam Moffett has been working on plans to bring back the choral program at USH through technological innovations. During the quarantine, Sam has been

learning more about audio and video editing, and finished a project with the USH Choral Scholars that was recently featured in worship.

Sam plans to continue these projects when the Fall season comes around, and is hoping to start expanding it to include the full USH Choir as well.

A Message of Thanks to David Polk and the Richard P. Garmany Fund

On behalf of the Unitarian Society of Hartford, Director of Music Ministries Sam Moffett would like to acknowledge and give great gratitude for David Polk and the Richard P. Garmany fund. For the past couple of years, grants from the Richard P. Garmany fund have allowed USH to continue our Choral Scholars program and our Composer-in-Residence program. The beautiful music heard online from the Choral Scholars during the May 24th service was made possible by Mr. Polk's generosity, and we extend great thanks for his and the Richard P. Garmany fund's support to USH.

NEW Sing- Along

The Meeting House Sing-Along will be virtual this month; if you are not on the mailing list already, contact Ed Savage to get log-in information. We meet on the 2nd Saturday of each month from about 2-5pm as a drop-in, drop-out. No need to reserve a place or bring an instrument (other than your smart phone or computer). I look forward to singing with you again!
~Thank You, USH member Ed Savage

Online Donations:

After some FAQ's regarding our online donations (via our website) I did some digging and was informed that the online donating is a 2-step process requiring members to input their credit card information twice, once on our **USH** website and then again on **PayPal**. Pay Pal is the site that

actually processes the transaction, and the office (Buffie) receives notifications when a donation is received. Please contact **Buffie Pinney** with any questions or concerns at **hartforduusociety@gmail.com** or **860-233-9897**.

NO PHISHING
Don't take the bait!

Email Phishing Scam Update From the UCC Pension Boards

Exploiting the Coronavirus: Massive Excel Phishing Attack.

Microsoft has reported a massive phishing campaign that uses an Excel attachment as bait. The phishing email looks like it is from the Coronavirus Research Center of John Hopkins University—a well-known medical organization in the US. The email includes an Excel attachment that is disguised as an updated list of Coronavirus-related deaths, but the file actually contains a hidden piece of malware.

If you open the infected Excel file and click “Enable Content” when prompted, a program called Net Support Manager will be automatically installed on to your computer. This program is a tool that allows someone to access your computer remotely. Cybercriminals are using Net Support Manager to gain complete control over a victim’s system; allowing them to steal sensitive data, install more malicious software, and even use the machine for criminal activities. Don’t be a victim!

Here are some ways to protect yourself from this scam:

Think before you click! The bad guys know that you want to stay up-to-date on the latest COVID-19 data so they use this as bait. They’re trying to trick you into impulsively clicking and downloading their malware.

Remember to use the PHISH ALERT BUTTON.

Never download an attachment from an email that you weren’t expecting. Even if the sender appears to be a legitimate organization, the email address could be spoofed. Always go to the source. Any time you receive an email that claims to have

updated COVID-19 data, use your browser to visit the official website instead of opening an attachment or clicking a link.

Also, if you ever receive a suspicious email or text using US Hartford, USH, or the name of a staff member, please alert Buffie at hartforduusociety@gmail.com. You can find the correct emails for USH Staff, Members and Friends, in our Congregational Directory on the Members page of our website: www.ushartford.com.
