The Rev. Dr. Adam Robersmith, preaching.

Our Unitarian ancestor, the Rev. Theodore Parker, asked, "*Will you cling to what is perishing, or embrace what is eternal?*" In times like ours, we must determine what systems and structures no longer serve us and what we will hold on to even as the world changes. Together, we'll consider how we figure out what to hold, what to release, and how to live into the promise of what is eternal.

Rev. Adam is the Senior Minister of the Universalist Church of West Hartford, a spiritual director in private practice, and ministerial formation consultant for religious institutions. He has been a biologist, a musician, a storyteller, a fiber artist, a waiter, a gardener, and an editor. He lives in the woods with his spouse, two looms, three harps, and many, many plants.

And the day came when the risk to remain tight in a bud was more painful than the risk it took to blossom...

Summer worship with USH: The Power of Community

**ALL SUMMER SERVICES WILL BEGIN AT 10AM WITH
COFFEE HOUR TO FOLLOW. PLEASE JOIN US!**

Every summer, we choose a worship theme for our mostly lay-led and fabulous services. This summer, our theme is the Power of Community. While we chose this before the pandemic, it feels

all the more important now as we try to weave the bonds of community from a safe social distance and over the internet lines.

Yes! We will worship together this summer...at 10am, with USH Fellowship Time to follow at 11am!

Yes! Worship will continue to be online. ...at 10am!

Yes! Worship will nourish spirits, build community, and support our work for justice.

Yes! Worship will be led by an amazing line up of lay leaders sharing their wisdom, wonderings, and wishes.

Yes! We will have religious education for children.

But that's not all! While the pandemic has closed many doors to us, it has opened some other, virtual doors! This summer we will share worship and religious education with several other congregations in the region – all without leaving the comfort of your home! Rayla is coordinating creative family spiritual life and learning –stay tuned for details. The Revs have coordinated with several other congregations in CT for shared worship.

USH Summer Worship Schedule

Joint CT Services: Interdependence: Widening the Circle of Concern

(all services available on YouTube and live in Zoom at 10am)

August 23 Joint service led by USH with Rev Cathy

August 30 Joint service led by UU Society: East (Manchester)

September 6 Susan Spaniol speaker, WA Peter Meny

September 13 Revs Cathy and Heather, WA Lisa Galinski

September 20 Ingathering, Revs Cathy and Heather

What an abundance of spiritual nourishment and community building we have in worship this summer, which we need all the more in this time of longing and transformation! We'll continue with our Zoom Fellowship Hours after worship, and hope that you'll continue connecting in other ways as we both widen and tighten our community connections.

We will hold our Ingathering on September 20th with all of the joy and anticipation of the new church year that this service always brings our congregation at summer's end. Though we may still be in our living room church our spirit will be in our togetherness.

In Faith and Love,

Revs Cathy & Heather

Updated Policy from the USH Board of Directors as of July 15, 2020

For the safety of our members, friends and staff, the USH building and grounds, including the playground, remain closed to all activities ***with the exception of individual and small family group visits to the memorial gardens, and urgently necessary maintenance by members of the Building and Grounds Sub-council or USH Sexton, Kevin Girouard.*** Any

other visits to the office or for contactless pickups and drop offs, must be scheduled in advance through our Office Administrator, Buffie Pinney, and our Rentals Manager, Rayla Mattson. In all cases, please observe masking and distancing precautions.

Note:

While we appreciate that not having ready access to the USH building and grounds can be difficult, it is necessary, for everyone's safety, to manage building and grounds use during the Covid-19 pandemic. Checking with Buffie and Rayla before planning a visit helps us to avoid unsafe situations, unnecessary confusion and inequities. Your continued cooperation with this effort is much appreciated.

Thank you for your understanding during this challenging and ever-changing time! USH Board and Ministers

**DESPITE THE CHAOS:
UNIFORMS STILL NEEDED**

The coronavirus pandemic is bad enough, adding a hurricane to our already perilous world has made life chaotic. Back in June Governor Lamont announced that schools

would reopen this year to full time in-class learning. It's now looking more like hybrid education with both on line and in person classes. Students will continue to need uniforms. ***The Village for a Families and Children Uniform Fundraiser ends on August 20 - just 12 days away.*** Please contribute to this fundraiser for the eighth year in a row.

If you have already given, thank you.

Please make your checks for the fundraiser out to The Unitarian Society of Hartford, with uniforms in the memo line and mail them to Brian Mullen at The Meeting House, 50 Bloomfield Ave. Hartford, Ct 06105.

Small Group Spiritual Deepening Program

offered for members of the Hartford area UU congregations

UUSpiritLife

UUSpiritLife, a new 10-month long adult program created for the three Hartford-area Unitarian Universalist churches, invites UUs to form and deepen a meaningful spiritual life.

When we pause first for the inward action of spiritual renewal, we become more confident and impactful in our outward actions whether they involve our personal lives, social action or the many engaging tasks of congregational life.

Using a contemplative model, we will come together in a safe, nonjudgmental environment that reaches beyond discussion of heady topics to connect with mystery and awe – the intrinsic power, beauty and goodness of being human. The program includes many experiential opportunities to discover our own personal spirituality and to get in touch with the still, small inner voice that is our internal guidance system.

UUSpiritLife is open to members of all three area churches. Two daytime groups facilitated by Judy Robbins and Rick Tsukada are now full. There are openings in the evening group, facilitated by Tom Gervais. The evening group will meet on the first and third Tuesday evenings 7:00-9:00 PM, starting Sept 15 – June 1, 2021. All groups will be on the Zoom format, transitioning to in-person meetings if possible.

Registration closes August 14, but to insure your best chance at a place, do not to wait until the last minute. To express an interest, ask questions or to register, email Judy Robbins (day group) **Judyrobb2@gmail.com** or Tom Gervais (evening) **tom.j.gervais@gmail.com**.

UU Wellspring – Deep Questions

The Universalist Church of West Hartford is offering a UUWellspring module: **Deep Questions**, open to members of all three area UU churches. The UU Wellspring program is based on small group connections, daily spiritual practices, spiritual direction, deep inquiry, and embodying/engaging our spirituality in life. The **Deep Questions** program focuses on deep questions of our lives, including human nature, forgiveness/acceptance, prayer, death and dying, accountability, sacred activism, and our relationship to the planet. It explores these and other themes in conjunction with the seven UU principles. For more information, please visit www.uuwellspring.org.

The Wellspring **Deep Questions** program shares **UUSpiritLife's** focus on inward experience and spiritual connection/renewal. A committed group will meet twice monthly on the first and third Thursdays at 7pm and will be facilitated by David Gonci. The program will begin on September 17, 2020 and conclude on June 17, 2021. Group size will be limited, and will initially be conducted on Zoom. As with the SpiritLife program, registration closes on Aug 14 and spaces are limited, so please act quickly to insure a place. For further information, questions or to register, please contact David by emailing to david@gonci.com or calling 413-281-1973.

RE News You Can Use: Rayla D. Mattson, Director of Religious Education

Hello families! I hope everyone is doing well after this last storm that we had. I've been thinking of you all and working to check in as best I can. Please feel free to reach out to me if I can be of support to you in anyway. Although we have paused on our summer RE classes, I'm still here and working and available to you. Please note that we will be going back into the virtual RE at the beginning of the church year. I am working on curriculum and would love any thoughts or feedback you all may have on classes. I know that this time is stressful for us all. Many of us are not sure what will happen as we get closer and closer to the start of school. Know that you are not alone. We will also be starting our parent group again in order to support each other for yet another transition. Sending you all love and support.

News from the USH Board of Directors

Letter from incoming USH President, Martha Bradley, July 15, 2020

Dear Friends,

At USH we offer a big tent, literally and figuratively. We claim to welcome and respect all comers, and to cherish diversity of people and opinions. We say that "love is the spirit of this church." If ever there was an opportunity to reach out and practice what we preach, this is it. So many people are hurting and in need of help and support.

There are many ways to address those needs. As my Grandma used to say, "It wouldn't do for us all to be the same." Not everyone wants to (wo)man the barricades, but we can all play an important role, whether caring for or accompanying others through difficult situations, educating ourselves, spreading the word, providing financial support, getting out the vote. As my Grandma also used to say (apologies to cat lovers), "There's more than one way to skin a cat."

I believe we all sense the urgency of the present moment in the history of our church community, our faith, and our country. We have taken a vital first step in maintaining our church community. Thanks to the outstanding efforts of our ministers, WAS, RE Rayla, Music Minister Sam, Office Administrator Buffie, President Elect and tech hand-holder Lisa, and others, we have successfully transitioned our services, coffee hour and many groups online, to keep our connections and sense of community alive although we can't be together in person.

Now comes the hard part: committing to maintaining our community and connectedness going forward into an uncertain future. In other words, hanging in there for the long haul.

Even though we can't be together in person, our strength and ability to make a difference for ourselves and others still lies in community. It is through collective effort, with each of us contributing our own unique gifts and creative vision, that can we

can meet the unprecedented challenges we face going forward.

Despite differences of opinion and approach, that can be magnified by stress and isolation, pulling together is the best way to resist being pulled apart. It's important to keep our eyes on the prize; a safer, healthier, and more equitable future for all in this country and the world.

Let's continue to love and support one another in making manifest this vision of the future by imagining and creating the church we need to make it so. Let's keep "turning and turning" together until things "come round right." I look forward to hearing your thoughts and reactions to our current challenges.

Wishing you all the very best, Martha.

From the USH Board:

We as Board, Ministers, and Staff have been taking in the recent recommendations of the UUA (you can read those for yourself, here: <https://www.uua.org/pressroom/press-releases/message-uua-president-updated-guidance-gathering> and have been reflecting upon and appreciating this 4-minute video from UU parish minister Rev. Jake Morrill: <https://youtu.be/0uAKQXagwms>. You are welcome to join us in this real-life "thought experiment" about how to live together into this new era and the new formats of congregational life that we are being called to consider. There was some discussion of these topics during the May 17th Annual Meeting; please speak with the Board, Ministers, or Staff directly if there are areas of congregational life you'd like to be more involved in.

Would You Like Support?

Worrying does not take away tomorrow's troubles; it takes away today's peace. These are strange times indeed. Our accustomed normalcy has been up-ended. It's natural to feel shaken under these circumstances. However if you find yourself unusually worn down by worry, nervousness or loneliness during this pandemic, your ministers have assembled a small team of counseling professionals. They have volunteered to offer free, supportive, confidential, one-on-one phone calls. If a phone session or two would feel helpful to you, please do not hesitate to contact either Rev Cathy at revcathyrionstarr@gmail.com or Rev Heather at revheatherionstarr@gmail.com. We are all in this together and together we will stay strong.

May we all stay healthy, happy and connected.

From the USH Caring Network: Please inform the Caring Network of needs, or volunteer your services. If you know of any member experiencing some difficulty, please contact Eve Pech or any member of the Caring Network so we can provide some assistance. A wide range of community services is also available to those in need by calling the Community Info Line at 211.

Church Business News

Welcome our newest members!!

When new members sign the Membership Book they covenant to the life of this congregation, to respect its heritage, support its health, contribute their talent, time and resources as best you are able to assure that it is a generous community, a learning community and a community of service. In return the existing members covenant to welcome the new members with respect and acceptance for their unique selves, their inherent goodness and worth. They pledge to creating in this community a place of free and reasoned inquiry, where all may continue to learn and grow, and to maintain healthy relationships and take only those actions which love and respect demand. **Please join us in welcoming our newest members Rev. Dr. Jan Carlsson-Bull and Ruth Rempt.**

Rev. Dr. Jan Carlsson-Bull is a Unitarian Universalist minister, as of June 2019 retired, or “rechanneled”. She has served congregations in Meriden, CT; Kingston, NY; Cohasset, MA; and New York City. During this time, she has held leadership positions in professional associations and community organizations, with a focus on racial and immigrant justice and trauma response. Before ordination, Jan worked in the private and non-profit sectors and was active in multiple

community ventures. She holds a B.A. in philosophy from the University of Colorado; an M.Div. from Union Theological Seminary, NYC; and a Ph.D. in Developmental Psychology from Yeshiva University, NYC. Amid these pandemics, she continues to be active in the immigrant rights movement, racial justice matters, and advocacy initiatives for progressive voting. Additionally, she is learning Spanish, savoring free-range reading and writing and hoping mightily to return to ocean swimming as soon as the beaches become less crowded. Jan resides in Middletown with her husband Dr. Daniel Bull and their character of a mutt, Pablo. Their blended family includes three daughters and three adorable grandkids, whom they miss so much during this time of social distancing. Jan is a member of both the Unitarian Society of Hartford, as of this spring, and the Unitarian Universalist Congregation at Montclair, NJ as of 1979. She was a USH delegate at General Assembly 2020 and a chaplain for UUMA Ministry Days 2020.

Ruth Gitchell Rempt is a lifelong UU who grew up in the Universalist Church of West Hartford. Professionally, she is a semi-retired Registered Dietitian/ Nutritionist. In her free time, she loves to sing and do yoga. She has had a long association with the UU Retreat and Conference Center at Ferry Beach in Saco, Maine; and she served on their Board of Directors for 10 years. Ruth has moved a lot, but always found a UU congregation to participate with. She now lives at Seabury in Bloomfield, where she is a member of the UU Connection

Circle and represents UU's on the Residents' Spiritual Life Committee. Ruth has enjoyed participating in the "Wellspring" Program sponsored by the 3 local UU congregations this past year. She is looking forward to becoming more active at USH in the future.

Online Donations:

After some FAQ's regarding our online donations (via our website) I did some digging and was informed that the online donating is a 2-step process requiring members to input their credit card information twice, once on our **USH** website and then again on

PayPal. Pay Pal is the site that actually processes the transaction, and the office (Buffie) receives notifications when a donation is received. Please contact **Buffie Pinney** with any questions or concerns at hartforduusociety@gmail.com or **860-233-9897**.

As a reminder, the Meeting House is closed for all "in-person" gatherings for now, and we ask your help in strengthening our connections during this time. Call someone in the congregation! Organize a Zoom hangout or Connection Circle! Keep telling us your good news – new babies and such, and challenges you wish to share in worship or simply hold in confidential prayer and love.

Moving Events Online:

We are updating our online calendar with events that are moving to an online format during this time when all in-person gatherings are cancelled. If you are an event organizer, please let Buffie know if you would like to move your program online into our USH Zoom Room (and if you need help learning to use Zoom).

Resources for the food insecure and places to give:

These are tough times for many folks already living paycheck-to-paycheck and/or food insecure. If this is you, please reach out to the Revs so we can mobilize some financial and/or food support for you. Here are a few community resources for food in particular:

- Bloomfield food for kids: Carmen Arace Middle School food pick-up: Breakfast 8:00-9:00am and lunch 12:00-1:00pm. It's a drop-in pick-up only.
- West Hartford Meals for kids and adults: <https://www.smores.com/jxwvz>
- Hartford meals for kids: <https://ct-kids.org/>
- Foodshare has mobile sites for food pick up. Click here for more info:
<http://site.foodshare.org/site/PageServer?pagename=coronavirus>

-

Foodshare welcomes your financial contributions and is in need of volunteers especially right now. They have extra safety precautions in place. If you are not already high risk, please consider signing up. The Universalist Church of West Hartford is working to keep their pantry functioning and could use volunteers who are not in the high risk categories (underlying pulmonary/cardiac/immune issues or diabetes...and/or 50+ years old). Call Jacob Lee, their food ministry coordinator, at 860-233-3669 x109 if you are interested in helping through the coming weeks and months. See more

NO PHISHING
Don't take the bait!

Email
Phishing Scam
Update From
the UCC
Pension

Exploiting the
 Coronavirus:
 Massive Excel
 Phishing Attack.

Microsoft has reported a massive phishing campaign that uses an Excel attachment as bait. The phishing email looks like it is from the Coronavirus Research Center of John Hopkins University—a well-known medical organization in the US. The email includes an Excel attachment that is disguised as an updated list of Coronavirus-related deaths, but the file actually contains a hidden piece of malware.

If you open the infected Excel file and click “Enable Content” when prompted, a program called Net Support Manager will be automatically installed on to your computer. This program is a tool that allows someone to access your computer remotely. Cybercriminals are using Net Support Manager to gain complete control over a victim’s system; allowing them to steal sensitive data, install more malicious software, and even use the machine for criminal activities. Don’t be a victim!

Here are some ways to protect yourself from this scam:

Think before you click! The bad guys know that you want to stay up-to-date on the latest COVID-19 data so they use this as bait. They’re trying to trick you into impulsively clicking and downloading their malware.

Remember to use the PHISH ALERT BUTTON.

Never download an attachment from an email that you weren’t expecting. Even if the sender appears to be a legitimate organization, the email address could be spoofed. Always go to the source. Any time you receive an email that claims to have updated COVID-19 data, use your browser to visit the official website instead of opening an attachment or clicking a link.

Also, if you ever receive a suspicious email or text using US Hartford, USH, or the name of a staff member, please alert Buffie at hartforduusociety@gmail.com. You can find the correct emails for USH Staff, Members and Friends, in our Congregational Directory on the Members page of our website: www.ushartford.com.
